IGNITE YOUR ACCOUNTING CAREER

Discover Life at Kirsch CPA Group:
Get a firsthand look at the inner workings of Kirsch CPA Group and a "Day in the Life" of an analyst. Learn about Employee Ownership and the opportunity for your career.

Think Like a CPA:
Analyze real company data in a business advisory case study.

Engage in Fun Activities:
Learn more about accounting through engaging events like our Tax Trivia and A&A Scavenger Hunt.

Explore Client Impact:
Experience the real-world effect of our consulting, accounting, tax, and audit work on small business owners.

More than Just Lectures

Our Leadership Program goes beyond traditional lectures, offering hands-on experiences that are engaging and interactive.

Network with Our Team

Network with Kirsch team members, such as CPAs, senior leaders, and partners, to build connections that may influence your future.

We are looking for:

- Accounting students entering their sophomore or junior year
- GPA of 3.20 or above
- Desire to pursue a CPA license
